SCHEDULE OF COURSES

Fall 2010

Course Fee = $75 per person/per class

The Do’s and Don’ts: Legal and Liability Issues
September 29, 2010 – Centennial, Arapahoe County Sheriff’s Office
This course will offer insight into the fundamentals of the legal system, considering the application of state and federal laws, discussions of claims, discrimination, sexual harassment, lawsuit language, etc. This class provides the opportunity for discussion of questions and concerns.

So You’re a Supervisor Now? Transitioning into a supervisory role
October 12, 2010 – Grand Junction, CDOT Training room
Supervisory Roles and Responsibilities - The objective of this course is to discuss and explore the changes in relationships and personal challenges that may occur when one is promoted to and starts the role of supervisor. This is a discussion seminar in which participants focus primarily on the differences between subordinate and supervisory roles.

Successful Employees Makes Successful Supervisors
October 13, 2010 – Grand Junction, CDOT Training Room
Dealing With Employees, Managing for Success - This course takes a look at the characteristics of effective supervisors as project leaders, motivators, coaches, and team-builders.

A Whole New World: The nuts and bolts of how government works
November 4, 2010 – Centennial, Arapahoe County Sheriff’s Office
Local & State Government Operations - This course will help new supervisors become familiar with local government jurisdictions, the structure of local government entities (State, County, City, etc.), the major roles and functions of officials, revenue sources, budgeting, and navigating the political system.

Supervisory Skills and Development Program
The cost of the classes is $75 per person, per class. The cost of each class includes room rental fees, instructor’s fees, class materials, and lunch. APWA & CARSE have provided money for scholarships and interested individuals should contact the CLTAP office for details. Participants also receive at their first class an SSDP binder. This notebook includes a check list of courses and dividers in order to include handouts from each class. It is intended for this notebook to serve as a reference manual.
